

## DO YOU HAVE A CHAMPION APPRENTICE IN YOUR SCHOOL?

In keeping with the TOOLS [th]at WORK promotional campaign, KPDSB is looking for regional OYAP or Cooperative Education student/employer success stories. KPDSB would like to promote the variety of “skilled trades” options available to High School students. These success stories may be featured in “Champion Apprentice” newspaper advertising, as an interview on 60-second radio spots or in “THE work Report” bi-annual newsletter. Please submit your school’s success stories on this template via email to [info@toolsthatwork.ca](mailto:info@toolsthatwork.ca) or by fax to (807) 223-5595.
