

ONTARIO YOUTH APPRENTICESHIP PROGRAM [OYAP]

COOPERATIVE OPPORTUNITIES

# EMPLOYERS

# WANTED

**Cooperative Education opportunities can provide a career head start for a high school student in your community.**

If you can provide the opportunities, you may be eligible for wage subsidies and tax credits through incentive programs such as Job Connect, Job Creation Partnership, and Co-operative Education Tax Credit.

### For [your future]

Skilled trades offer more choices than ever for a rewarding, challenging and secure career. We have the tools to help you make the right choice for your future.

### For [students]

Ontario Youth Apprenticeship Program (OYAP) lets you try out a trade and receive high school credits at the same time. OYAP students can begin to earn valuable hours toward apprenticeship training, recognized by the Ministry of Training, Colleges and Universities.

The Cooperative Education Program, Job Shadowing and Job Placements help you discover options, gather information, and test a trade to see if it is right for you. These programs expand classroom learning into business, industry and the community.

### For [employers]

Passport to Prosperity and incentive programs such as Job Connect, Job Creation Partnership and Cooperative Education Tax Credit can help you connect with potential employees and qualify for wage subsidies and tax credits. Provide a career head-start for a youth in your community.

### For [youth]

Job Readiness Programs, on the Job Training Programs and Wage Subsidy Programs can help you develop job seeking skills and provide access to job opportunities. Develop goal setting, decision making and teamwork skills that contribute to a productive workforce and attain your personal goals.
